)	OUT-OF-TIME

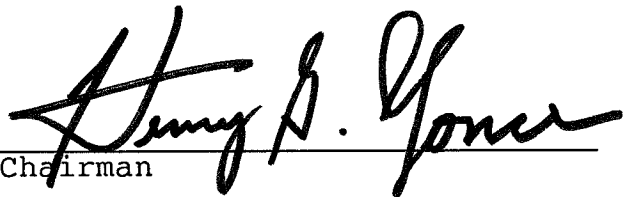

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Secretary of Defense's (on behalf of the United States Department of Defense and other affected Executive Agencies) (the DOD's) Petition for permission to intervene out-of-time in this proceeding. The DOD states that it did not receive its necessary delegation of authority from the General Services Administration to represent the civilian federal executive agencies until shortly after expiration of the intervention deadline.

In as much as the DOD did not receive authorization to represent the federal executive agencies until shortly after the

expiration of the intervention deadline, the Commission finds and concludes that the DOD's Petition to Intervene Out-of-Time should be and is hereby granted.

IT IS SO ORDERED.
